Events targeting first-year students **begin September 26, 2023**.
 Company representatives may not interact with matriculated first-year students prior to this date.

ALL event requests, including those targeting student clubs, must be submitted through COIN to ensure a conflict-free calendar. Events are limited to a one-hour duration. It is recommended to follow event date and time guidelines to ensure a student does not have an academic commitment. We encourage companies to be flexible in offering students the opportunity to engage in coffee chats. Blackout Dates apply.
