

Aalto University School of Business

Short winter exchange

From beginning of January to end of February

Welcome to Aalto University, Otaniemi Campus!

Spend unforgettable two months at Aalto University in Finland!

- Complete 12-18 ECTS (2-3 courses) during a seven week period
- You will study in a mixed classroom together with local students and other exchange students
- Orientation will take place on 7-8 January 2027, and the studies will finish no later than 28 February 2027

Experience the winter wonderland

- The student association organizes a Lapland trip offering a chance to visit the northern part of Finland and see the northern lights
- Finland has an active student life, and there are plenty of events in January and February

Choose your 2-3 courses from over 40 courses available

- We offer courses in the fields of accounting, economics, finance, management, information and service management, and marketing. In addition, there are culture and language studies available
- Bachelor-level students can take master-level courses, and vice versa, as long as the prerequisites are met

"Going to Lapland with the KY Sub trip was for sure my highlight. I got a lot closer with fellow exchange students, along with the KY Sub members. Furthermore, I got the opportunity to experience Finnish culture through dog sledding, skiing, and looking for the Northern Lights."

Exchange student
Queen's University
