Subject: Core Course Coordinator Compensation

Dear Colleagues,

We write to update you on the compensation package for those serving as core course coordinators going forward. As of AY2016-2017, core course coordinators will receive additional compensation of \$13,000 for a half-course or \$19,500 for a full course per year. This amount can be taken as additional compensation or as additional COSTAR money. If the funding is taken into COSTAR accounts, it will be approximately 30% higher because we do not pay the university fringe on COSTAR funding.

We look forward to continually working with you to enhance the core. Please feel free to reach out to either of us if you have questions.

Best,
Kathy Phillips and Wei Jiang
